

“Your Link to Antalya to Türkiye”

LETTER OF INTRODUCTION, ANTLINK REPATRIATION SERVICES, OVERVIEW

Thank you for the opportunity to introduce the solutions and services offered by **ANTLINK TURIZM TICARET A.S.**

REPATRIATION SERVICES:

- Documentation:

Obtainment of all necessary documents, including notary certified translations, Consular documents, and acquisition of apostils to documents required for repatriation of the deceased to the country of destination

- Systematic medicine injections for repatriation

Injections of solutions, provided by a local doctor or pathologist, required for international transportation

- Coffin:

Providing zinc-lined hermetically sealed coffins, appropriate for international transportation regulations

-In-coffin materials:

Shroud, body bag, protective cover for the coffin

- Hearse:

Suitable for Mediterranean climate transportation and burial hearses with cold-storage facilities

- Morgue facilities:

We own a private morgue with the capacity of 6 packs, providing the necessary temperature and circumstances for keeping a deceased in stable condition during the agreed period of time.

- Customs:

Coffin with the deceased together with all the documents is to be cleared through the authorized customs office at the airport of departure.

- AWB / Plane tickets:

Obtaining AirWayBill for the deceased from the contractual cargo companies, and if requested, suitably priced flight tickets for the next of kin, to be provided by our own Travel Agents.

BURIAL CEREMONIES:

- Traditional Burial Ceremonies:

In accords with the requests of the family, preparation of traditional burials for the deceased

- Flowers:

Covering of coffin with flowers, providing small flower rings and sending chaplets to the place of ceremony in accordance with requests of the family.

- Economic Coffin:

Manufacturing of suitable coffins for any economic level, made of imported or local wood

-In-coffin materials

Per request, we could provide the sets of lining or pillows

-Burial Place Preparations:

By the request of the family, arrangement of grave plot for burial with or without coffin, covering the graveyard expenses.

EXHUMATION OF THE DECEASED:

- Exhumation is possible at request, please reach out to us for further details.

The whole process of repatriation or burial is arranged from A to Z with awareness of confidentiality and care. For our partners we offer case-to-case quotes or special agreement cost quotations.

Yours Faithfully,
